

## EDENOPOLIS BUFFET MENUS

**\$50 - 75 per person including all taxes.**

**Staffing and rentals additional.**

### **Total cost:**

50 guest minimum. Most events require one or two chefs, a coordinator, and our logistics team which handles our rentals, florals, and delivery. The total cost for our back of house team, event chefs, delivery, and rentals is between \$950 - \$1550. Waiters are \$45/hr if needed for passing food or cleaning. For example: A party at \$60 per person for 50 guests would be \$4,550, and a party for 100 would be \$7,550 including NYC sales tax, staffing, and rentals.

### **What is included:**

We bring everything you need for your buffet including heating equipment, bowls, platters, disposables, risers, boards, and greenery. For some menus cooking is done on site and ovens or grills are required. Some menu items like our sous vide BBQ, arrive hot and ready to serve. If you need equipment, we can bring it or rent it for you. Larger events require additional rentals of platters and chafing dishes. Buffet menus include larger portions per person than our feasting tables, at 1/2 lb per person of protein per menu item!

### **Our methods:**

Our menus are separated into indoor and outdoor events. Outdoor events we grill, and indoor events we bake or use sous vide cooking. We focus on cooking methods that work well for catering large groups, to ensure high quality and efficiency.

# OUTDOOR EVENTS

### **DESSERTS AVAILABLE**

All menus can have desserts added for an additional cost depending on the item. If there are items we don't make in house we can purchase them for you and serve them for a 10% fee. We can also make a separate table full of a variety of desserts.

*If there is something you want that you don't see, please reach out and let us know. We travel the world each year researching home cooked food during the winter, and we are happy to cook what you love if we can!*
