

PRIVATE CHEF SERVICES

Private chefs are perfect for smaller, more intimate gatherings. Your chef works with you directly to plan your customized menu, shop for your ingredients, and cook in your kitchen. Start by telling us what cuisine you are interested in, and we will connect you with the chef that is the best fit for your event.

PRIVATE CHEF - \$300 coordination fee billed from Edenopolis LLC. \$50/hr plus food and travel expenses billed directly from the chef.

ADDITIONAL STAFF - We also can hire servers, bartenders, and chef assistants as needed. This will be billed directly to you from our partner agency Top Shelf Staffing. We charge a \$25 per staff coordination fee per staff.

FLORALS/RENTALS/VENDORS - We charge a 10% fee for placing orders from outside vendors. This would include designing and taking care of your rental order from Party Rental LTD, flowers, cakes, or any other vendors.

INSURANCE/COI'S - Some venues and apartment buildings need additional insurance. We charge \$150 for 2 million in liability coverage ordered with your list of additional insured, and specific insurance requirements.
