

PRIVATE CHEF SERVICES

Private chef events are \$1500 plus your cost of groceries. This includes one head chef, delivery, our in house rentals, disposables, and all taxes and fees.

Most private chef events are between 10 - 25 guests, and groceries range from \$500 - \$1000 making the total cost \$2000 - \$2500 on average. You may set any budget, or start with a menu and we can give you an estimated quote. If you have more than 25 guests, it is additional per person and you may need more staff to serve and clean.

MENU - We work with you to plan your perfect menu, and our team prepares your food the day before in our certified kitchen. Your chef does the finishing cooking on site before serving your guests and cleaning.

STAFF - We can hire servers, bartenders, and chef assistants as needed. This will be billed directly to you from our partner agency Top Shelf Staffing. We charge a \$25 per staff coordination fee per staff.

VENDORS - We charge a 20% fee of the vendor cost for ordering, setup, and taking responsibility for services such as rentals, cakes, or flowers.
