FOOD + FLORAL FEASTING TABLES

ABOUT

We are passionate about the timeless tradition of feasting and creating bountiful grazing tables that invoke feelings of wonder, luxury, and joy.

Each table includes a cornucopia of meats, cheeses, breads, spreads, fruits, vegetables, desserts, and surprises for your guests. We hunt down the highest quality ingredients from local vendors and global food artisans to create memorable food experiences. Each client is encouraged to express their vision through color, florals, and cuisine.
