

## Edenopolis Private Chef Rates

**Day of party assistance: \$125/hr.** For a chef to come and help you cook, decorate, design, make floral instalations, manage your team, or anything else for your party. 3 hour minimum.

**Day of private chef: \$700** plus the cost of ingredients and travel. Includes one hour of shopping at your local grocery store, five hours prep and cooking on site, and one hour service for your guests. Chef leaves one hour after guests are served. Food items are limited to what can be prepared in the allotted time and with what equipment you have. If you do not need the chef to shop for you, there is a discount of \$50 and we will make a grocery list for you to shop.

**Premium private chef: \$1200** plus the cost of ingredients and travel. Includes shopping and a full day of prep the day before in our full state of the art catering kitchen, access to our premium food distrubutors, as well as slow cooked overnight meats, pickling, brining, and other menu items that take longer to prepare. Also includes our in house bowls, platters, warmers, and equipment and rentals if needed. The day of your chef arrives three to four hours before the start of your event to set up, and stays through the entire service, and cleans at the end.

*Additional service staff, flowers, rentals, and other services available.*
